

# Utah Advanced Composites Industry Directory

**INDUSTRY DIRECTORY**

<b>ACTR</b> Mike Davis, Marketing Manager (801) 356-1311 <i>Conducts research and development of composite processes, automated manufacturing, and technological development.</i>	808 East 1910 South, Ste. 3 Provo, UT 84606 <a href="http://www.actr.com">www.actr.com</a>
<b>Advanced Composites Inc.</b> Randy Philpot, President (801) 467-1204 <i>Produces composite structures emphasizing high-performance composite tubing through filament winding.</i>	2575 South 3270 West Salt Lake City, UT 84119 <a href="http://www.advancedcomposites.com">www.advancedcomposites.com</a>
<b>Aerospace Engineering &amp; Support</b> Chad Bitton, Vice President (801) 394-9565 <i>Designs, develops, manufactures, tests and evaluates aircraft parts, systems and equipment.</i>	1307 West 2550 South Ogden, UT 84401 <a href="http://www.aesut.com">www.aesut.com</a>
<b>Aero Visions International Inc.</b> Jurg Sommeruer (801) 721-6375 <i>Aero Consultants AG supplies a complete range of materials, services and semi-finished articles for the aerospace industry, automotive and other high tech applications.</i>	2411 Kiesel Ave., Ste. 408 Ogden, UT 84401 <a href="http://www.aerovisions.com">www.aerovisions.com</a>
<b>Air Force Research Lab</b> Diane Baker (801) 586-3318 <i>Discovery, development, and integration of affordable war fighting technologies for air and space force. Providing rapid solutions in response to urgent war fighter requirements.</i>	5851 F Ave., Bldg 849, Rm A-01-A Hill AFB, UT 84056
<b>Aldila</b> Mike Mettenet, Sales & Marketing (801) 523-0707 <i>Aldila is not just a golf company but a prepreg composite company with over 15 years experience in producing composite materials and over 36 years of extensive experience in the fabrication and manufacture of composite parts and products.</i>	1802 Michael Way Sandy, UT 84093 <a href="http://www.aldila.com">www.aldila.com</a>
<b>Applied Composite Technology</b> Jason Christensen, Operations (435) 528-5174 <i>Reputable for solving complex engineering problems through the creative use of composite materials.</i>	425 East 400 North Gunnison, UT 84634 <a href="http://www.appliedcompositetechnology.com">www.appliedcompositetechnology.com</a>
<b>ATK</b> Heather Kralik (801) 775-1262 <i>ATK is the world's leading provider of advanced lightweight, high strength composite materials which are integral components on scientific spacecraft, satellite systems, robotic vehicles, space launch vehicles, military, and commercial aircraft. ATK is an advanced space systems company employing approximately 15,000 people in 23 states.</i>	P.O. Box 160433 Clearfield, UT 84016 <a href="http://www.atk.com">www.atk.com</a>
<b>B4 Composites</b> Robert Murdock (801) 676-1040 <i>A custom pultrusion fabricator of high-end, high-performance composites structures with special focus on carbon fiber pultrusions. Supplies commercial, industrial and aerospace markets. Also designs and fabricates filament wound and compression molded structures.</i>	9075 South Sandy Parkway Sandy, UT 84070 <a href="http://www.b4composites.com">www.b4composites.com</a>
<b>Barnes Aerospace</b> Steve Moore, President (801) 621-8960 <i>Manufactures components fro the compressor, combustor and turbine sections of jet engines.</i>	1483 West 2550 South Ogden, UT 84401
<b>Boeing Company</b> Dave Carbon, Manager (801) 537-6400 <i>Manufactures commercial aircraft, aircraft equipment and integrated defense systems.</i>	1215 North 2200 West Salt Lake City, UT 84116 <a href="http://www.boeing.com">www.boeing.com</a>

<b>BTG Composites, Inc.</b> Dr. Scott W. Beckwith, President (801) 262-8307 <i>BTG is an internationally recognized consultancy in advanced composites and FRP composites. Provides manufacturing, design, analysis, testing, training, failure analyses, and process development support. Over 45 years of RTM, VARTM, Filament Winding, Pultrusion, Fiber Placement and Vacuum Bagging/Hand Lay-up experience. Extensive Expert Witness experience in composites technology, sports and recreation and solid rocket propulsion areas. Provides in-house technology training in all composites fields.</i>	4956 South Jordan Canal Rd. Taylorsville, UT 84118 www.btgcomposites.com
<b>Ceramatec</b> Ashok Joshi (801) 972-2455 <i>Focuses on R&amp;D in advanced materials and electrochemistry.</i>	2425 South 900 West Salt Lake City, UT 84119 www.ceramatec.com
<b>Chemfab Corporation</b> (801) 262-3654 <i>Manufacturer of belting and fabrics building products relating to doors, windows, finishes, and mechanical piping specialties.</i>	5100 South 300 West Murray, UT 84107 www.chemfabcorp.com
<b>Christensen Arms</b> Monette Christensen (435) 528-7999 <i>Carbon barrel rifle manufacturer; produces graphite stocks, as well as disruptor barrels, and titanium muzzle brakes.</i>	192 East 100 North Fayette, UT 84630 www.christensenarms.com
<b>ClosedMold Composites</b> Ron Nelson (801) 231-4912 <i>Providing design, analysis and development of service for carbon fiber composite products. Provides the world's leading demonstrated expertise in closed mold composites fabrication.</i>	34 West Louise Ave. Salt Lake City, Utah 84115 www.closedmold.com
<b>Composites Coatings International, LLC</b> Stacia Phillips (801) 298-4787 <i>Specializing in design, fabrication, installation, maintenance and repairs of most advanced composite materials in industry. Capable of deploying technicians anywhere in the world.</i>	965 West 850 South Woods Cross, UT 84087 www.compositecoatings.com
<b>Composite Concepts</b> Randall Smith, Consultant (801) 231-0199 <i>Private consultant to composite companies who are looking for application instruction.</i>	267 East Kathryn Circle Sandy, UT 84070
<b>Composites One</b> Craig Larsen (800) 444-0156 <i>Composite material distributor working with over 200 supplier partners distributing thousands of items including primary reinforcements, specialized reinforcements, and processing supplies. Offering technical support on products and processes.</i>	4026 South West Temple Salt Lake City, UT 84107 www.compositesone.com
<b>Contour Composites, Inc.</b> Eric Jergensen (801) 298-5650 <i>Provides broad range of precision composite fabrication and design capabilities for aerospace, communication, aviation, and medical industries.</i>	1955 South 1800 West Woods Cross, UT 84087 www.contourcomp.com
<b>Delcam</b> Blaine Duke (801) 575-6021 <i>Delcam is one of the world's leading suppliers of advanced CAD/CAM software product development solutions for the manufacturing industry. The company has grown steadily since being founded formally in 1977, after initial development work at Cambridge University, UK. It is now the largest developer of product design and manufacturing software in the UK, with subsidiaries in North America, Europe and Asia. Delcam's software is used by more than 20,000 organizations in over 80 countries. U.S. headquarters are in Salt Lake City, Utah.</i>	275 E. South Temple, Ste. 305 Salt Lake City, UT 84111 www.delcam.com

<b>Delta 7 Sports</b> (801) 465-9933  <i>Manufacturer of advanced carbon fiber composite bike frames superior to current products in materials, technology and value.</i>	492 North 1100 West Payson, Utah 84651 <a href="http://www.delta7dports.com">www.delta7dports.com</a>
<b>Diamond Mold</b> (801) 467-8212  <i>Specializing in precision machining services, quality injection molds, product design &amp; development, composites design and fabrication, engineering services, and thermoform packaging.</i>	34 West Louise Ave. Salt Lake City, Utah 84115 <a href="http://www.diamond-mold.com">www.diamond-mold.com</a>
<b>Direct Controls, Inc.</b> Mark Evans (801) 318-6500 <i>DCI is a master robotics systems integrator for manufacturing companies providing premium turn-key solutions based on its DMAC technology.</i>	1135 South 1680 West Orem, UT 84058 <a href="http://www.directcontrols.net">www.directcontrols.net</a>
<b>DT Manufacturing</b> Dino Trujillo (801) 686-2293 <i>Plastics pipe and pipe fitting manufacturing; fiberglass fabricating service.</i>	150 South 450 East Clearfield, UT 84015 <a href="http://www.dtmanufacturing.com/">http://www.dtmanufacturing.com/</a>
<b>Easton Technical Products</b> Ted Palomaki (801) 526-6292 x2206 <i>Aluminum fabrication, composites capabilities addressing needs of the sports equipment market specializing in light weight, high strength, and precision applications.</i>	5040 Harold Gatty Dr. Salt Lake City, UT 84116 <a href="http://www.eastontube.com">www.eastontube.com</a>
<b>Edge Composites</b> Jason Schiers (801) 476-3363 <i>Stateside and Asia area contract manufacturer making composite material products out of fiber glass and carbon fiber.</i>	1080 South Depot Dr., Ste. 4 Ogden, UT 84404
<b>Entec Composite Machines</b> Craig Hyland (801) 486-8721 <i>Offering wide range of products and services for the composite manufacturing industry; controls, software filament winding pattern generation, customer composite machines and more.</i>	2975 South 300 West Salt Lake City, UT 84115 <a href="http://www.entec.com">www.entec.com</a>
<b>FPI Engineering, Inc.</b> Fred Policelli (801) 277-5689 <i>Engineering of composite structures.</i>	4891 Wallace Lane Salt Lake City, UT 84117
<b>FRP Supply</b> Aaron Clinger (801) 368-9166 <i>Known as Ashland Distribution Composites leading the nation of thermo set resins, reinforcements, and associated materials to the reinforced composites and cast polymer industries.</i>	1129 East 920 North Orem, UT 84097
<b>Gold Tip, Inc.</b> Tom Donat (801) 229-1666 <i>Manufactures carbon graphite equipment for archers and bow hunters.</i>	368 South Gold Tip Dr. Orem, UT 84058 <a href="http://www.goldtip.com">www.goldtip.com</a>
<b>Goldco Fiberglass Fabrication</b> Ralph Gold (801) 296-0444 <i>Fiberglass Manufacturing</i>	786 North Main St. Centerville, UT 84014

<b>Goode Ski Technologies</b> Dave Goode 801-621-2300 <i>Patented manufacturer of carbon composite pencil ski pole. Manufacturer of snow skis and water skis.</i>	2450 Wall Avenue Ogden, UT 84401 <a href="http://www.goode.com">www.goode.com</a>
<b>Grafil, Inc.</b> Martin Kokoshka (801) 745-2700 <i>Fibers ranging in prepregging, weaving, filament winding, braiding, SMC and protrusion. Industry standard for fibers in filament wound pressure vessels, oil risers, rollers, automotive, wind energy and infrastructure applications.</i>	4770 East Patio Springs Circle Eden, UT 84310 <a href="http://www.grafil.com/">www.grafil.com/</a>
<b>Green Sales Guy</b> John E. Green (801) 561-3584 <i>Manufacturers representation for Bolenz &amp; Schaefer, Brenner Int'l., Eastman Machine Co, EHI Spezialmaschinebau, Lynco Grinding, Material S.S., Rocky Mtn. Composites, Schlesinger Machinebau, Strategic Engineering, and World Filament Winding Federation.</i>	8443 Strato Dr. Sandy, UT 84093 <a href="http://www.theGREENsalesguy.com">www.theGREENsalesguy.com</a>
<b>Groen Brothers Aviation</b> David Groen (801) 973-0177 <i>Develops high performance gyroplanes and gyrodynes using advanced composite materials.</i>	2640 West California Avenue Salt Lake City, UT 84104 <a href="http://www.groenbros.com/">http://www.groenbros.com/</a>
<b>Hexcel Corporation</b> Debbie Wilkerson, Marketing Manager 801-252-3400 <i>Manufactures the nation's largest amount of carbon fiber and fiberglass electronic materials and products.</i>	7200 West 5400 South Salt Lake City, UT 84118 <a href="http://www.hexel.com">www.hexel.com</a>
<b>Hill Air Force Base</b> John Primbs (801) 777-5201 <i>An Air Force material command base providing logistics and engineering management, including composites.</i>	75ABW/PA 7981 Georgia St. Hill AFB, UT 84056-5824
<b>Hunter Composites</b> Clint Ashton (435) 835-8181 <i>Fiberglass architectural columns manufacturer for homes, businesses, buildings, etc.</i>	47 North 100 East Manti, UT 84642
<b>HyPer Comp Engineering Inc.</b> Thomas Hannum (435) 734-1166 <i>Designs and manufactures high pressure composite cylinders using filament winding.</i>	1080 North Main Street, #2 Brigham City, UT 84302 <a href="http://www.hypercompeng.com">www.hypercompeng.com</a>
<b>Industri-Tech</b> Richard McMillan (801) 263-2921 <i>Representatives for Newport Adhesives &amp; Composites, Airtech International Inc., Adtech Plastic Systems, BGF Industries, Briskheat Corp., and many others.</i>	5215 Greenpine Dr. Murray, Utah 84123 <a href="http://www.industritech.com">www.industritech.com</a>
<b>Intermountain Design, Inc.</b> Richard Laramee (801) 972-5252 <i>Fabrication and assembly, models, mock ups, graphics, animation, CAD consulting, CDRS integration, industrial design, engineering and testing.</i>	2190 South 3270 West West Valley City, UT 84119
<b>IsoTruss</b> Jay Mealey, CEO (801) 465-9933 <i>Engineering company specializing in composite materials technology, mainly their application to the development and construction of light aircraft and other high performance composite designs.</i>	492 North 100 West Payson, UT 84651

<b>ITT Integrated Structures</b> Steve Rodgers (801) 537-1800 <i>Offering wide range of products and services for composite manufacturing industry; controls, software for filament winding pattern generation, custom composite machines, retrofits, and turn-key solutions.</i>	506 Billy Mitchell Rd. Salt Lake City, UT 84116
<b>Kemp Development</b> Bryce Gibby (801) 731-0615 <i>Powder treatments in MFV machine, titanium, tantalum, and zirconium lined or solid valves, titanium electro polishing, microwave drying, surface hardening, rail care unloading, fluidizing systems and heat treating are some of the patented inventions achieving commercial success.</i>	P.O. Box 9725 Ogden, UT 84409 <a href="http://www.kempdev.com">www.kempdev.com</a>
<b>Kitco, Inc.</b> Brent Wood, Owner (801) 4789-3627 <i>Manufactures and distributes military aircraft and ship parts.</i>	1625 Mountain Springs Parkway <a href="http://www.kitcoinc.com">www.kitcoinc.com</a>
<b>Klune Industries, Inc.</b> Bob Ballantyne, Manager (801) 731-0615 <i>Manufactures assembled components for the military and commercial aerospace sectors.</i>	1800 North 300 West Spanish Fork, UT 84660 <a href="http://www.klune.com/default.htm">http://www.klune.com/default.htm</a>
<b>Krayden, Inc.</b> James Fowler (801) 558-2044 <i>Technical problem solving distributor specializing in various types of chemistries for the OEM manufacturer.</i>	795 East 1850 South Bountiful, UT 84010 <a href="http://www.krayden.com/">http://www.krayden.com/</a>
<b>Lockheed Martin Aeronautics Co.</b> (801) 773-0156 <i>Engaging in the research, design, development, manufacturer and integration of advanced technology systems products and services.</i>	872 Heritage Park Blvd., #210 Layton, UT 84041 <a href="http://www.lockheedmartin.com">www.lockheedmartin.com</a>
<b>Matco Manufacturing</b> (801) 486-7574 <i>Largest manufacturer of wheels, brakes, and related components specifically designed for the sport aircraft market.</i>	550 West 3615 South Salt Lake City, UT 84115 <a href="http://www.matcomfg.com">www.matcomfg.com</a>
<b>Mistras Group</b> Brent Mockli	<a href="http://www.mistrasgroup.com">www.mistrasgroup.com</a>
<b>Moog Aircraft Group</b> Steve Rusk, Manager (801) 973-4300 <i>Manufactures high-performance military and commercial aircraft control systems and space vehicles.</i>	2268 South 3270 West Salt Lake City, UT 84119
<b>Monogram Systems</b> Justin Nelson, Plant Manager (801) 615-7900 <i>Monogram Systems is a multi-dimensional supplier of cabin systems and equipment with a track record of over 60 years of leading technical excellence in the aerospace industry. The company's technical achievements include the development and introduction of the first aircraft recirculating aircraft toilet, the first aircraft vacuum toilet, the first aircraft trash compactor, the first passenger airstairs, and it was the first company to independently develop and launch a comprehensive vacuum waste integration system for a major aircraft platform.</i>	1422 South 350 East Provo, UT 84606 <a href="http://www.monogram.zodiac.com">www.monogram.zodiac.com</a>
<b>MTC Technologies</b> (801) 773-1047 <i>Providing wide range of sophisticated system engineering, intelligence, information technology, and program management solutions, primarily to the Department of Defense and various intelligence agencies.</i>	2465 North Main St., Ste. 12C Sunset, UT 84015 <a href="http://www.modtechcorp.com">www.modtechcorp.com</a>

<b>NAMMO Composite Solutions</b> Brian Lundy, President (801) 269-0998 <i>Manufactures advanced composite components for the aerospace, defense, marine, oil, commercial and recreational industries.</i>	3938 South 300 West Murray, UT 84107 <a href="http://www.composite-solutions.com">www.composite-solutions.com</a>
<b>North American Composites</b> Scott Kelley (801) 558-7418 <i>Industry supplier representing principles in composites and cast polymer industries solving environmental and regulatory issues.</i>	14719 Vera Lane Bluffdale, UT 84065 <a href="http://www.interplastic.com/html/nac.htm">http://www.interplastic.com/html/nac.htm</a>
<b>North Pacific Composites</b> (435) 528-5800 <i>Providing fiber glass poles that meet the strictest industry standards for quality and testing. Producing poles with high fiber ratios resulting in superior strength-to-weight characteristics.</i>	550 North Cemetery Rd. Gunnison, UT 84634 <a href="http://www.northpacific.com/dept/composites/cp_productinfo.html">www.northpacific.com/dept/composites/cp_productinfo.html</a>
<b>Northrop Grumman</b> John Clay, President (801) 525-3300 <i>Designs and manufactures military aircraft, defense systems and military aero structures.</i>	888 South 2000 East Clearfield, UT 84015
<b>Otto Bock Healthcare</b> Joe Smith (801) 956-2443 <i>Leading global supplier of products for people with limited mobility. Established with sales service corporations and manufacturing sites.</i>	3820 West Great Lakes Dr. Salt Lake City, UT 84120 <a href="http://www.ottobockus.com/">http://www.ottobockus.com/</a>
<b>Owens Corning</b> (801) 973-6375 <i>Creator of material solutions that can be found in over 40,000 end-use applications.</i>	4340 West 850 South Salt Lake City, UT 84104 <a href="http://www.owenscorning.net">www.owenscorning.net</a>
<b>Parker-Hannifin Corporation</b> Guy Martin, Manager (801) 786-3000 <i>Manufactures aircraft motion control systems and related components.</i>	1425 West 2675 North Ogden, UT 84404
<b>Performance Fabrication, Inc.</b> (801) 375-3759	1395 South Industrial Pkwy Provo, UT 84606
<b>Petersen, Inc</b> John Ballantye, CEO (801) 732-2000 <i>Manufactures guided missile components and space vehicles.</i>	1527 North 2000 West Ogden, UT 84404
<b>Radius Engineering</b> Dimitrije Milovich (801) 886-2624 <i>Provides engineering services in areas such as closed mold tooling, process development, workstation design, and injection systems in a vast area of product segments.</i>	1042 West 2780 South Salt Lake City, UT 84119 <a href="http://www.radiusengineering.com">www.radiusengineering.com</a>
<b>Robertson Aviation</b> Randy Crane, Mgr. Engineer (801) 576-0835	14668 South Heritagecrest Way Bluffdale, UT 84065
<b>Rockwell</b> Vaughn Cook (801) 375-7400 <i>Window wells featuring true texture finish for feel of custom carved stone. Also featuring emergency egress and entrance for fire rescue operations.</i>	55 East 600 South Provo, UT 84606 <a href="http://rockwellinc.com/">http://rockwellinc.com/</a>

<b>Rock West Composites</b> Dave Erickson, VP, General Manager (801) 616-6188 <i>Manufactures and sells carbon fiber stock tubing, custom tubing and custom molded products.</i>	3392 West 8600 South, Unit A West Jordan, UT 84041 <a href="http://www.rockwestcomposites.com">www.rockwestcomposites.com</a>
<b>Rocky Mountain Composites, Inc.</b> James Winegar (801) 794-0200 <i>Manufactures advanced composites for the aerospace industry using new technologies in filament winding and fiber reinforcement.</i>	301 West 3000 North Spanish Fork, UT 84660 <a href="http://www.rockymountaincomposites.com">www.rockymountaincomposites.com</a>
<b>Select Engineering Services (SES)</b> Dr. Jon Ginn (801) 528-5173	1544 North Woodland Park Dr., #310 Layton, UT 84041 <a href="http://www.sesincusa.com">www.sesincusa.com</a>
<b>Signatex High Technology Fabrics</b> Scott Lindsay (801) 546-3720 <i>World's leading converter of carbon fiber to fabrics, pitch-based carbon fibers, and other exotic yarns and materials.</i>	1078 East 575 North Layton, UT 84040 <a href="http://www.sigmatex.com/">http://www.sigmatex.com/</a>
<b>Skinner Creative Inc.</b> Michael Skinner (801) 809-2886 <i>Composite consulting services. Thirty years experience in managing composite companies, building industrial machinery, developing parts and processes, designing and manufacturing control systems, and writing software development solutions.</i>	11457 Camden Road Draper, UT 84020 <a href="http://www.skinnercreative.com/about.html">http://www.skinnercreative.com/about.html</a>
<b>Spectrum Manufacturing, Inc.</b> Greg Nielsen (435) 245-3128 <i>Designer and manufacturer of value priced products for the entertainment and event lighting industry.</i>	1802 East Anvil Blvd. Hyrum, UT 84319 <a href="http://www.spectrummfg.net/">http://www.spectrummfg.net/</a>
<b>Sport Court</b> Jason Carling (801) 972-0260 <i>Premier manufacturer of flooring systems, from out door game courts to indoor gymnasiums, roller hockey rinks to synthetic putting greens.</i>	939 South 700 West Salt Lake City, UT 84104 <a href="http://www.sportcourt.com">http://www.sportcourt.com</a>
<b>Springlite, Inc.</b> Doug Rush (801) 956-2411	1006 Beardsley Place Salt Lake City, UT 84119 <a href="http://www.springlite.com">http://www.springlite.com</a>
<b>Stealth Composites</b> Eric Rubie (801) 281-3292	3940 South 300 West, Ste. A Salt Lake City, UT 84109
<b>3TEX Inc.</b> Paul Smith, Western Sales (435) 262-0589 <i>Design and manufacture of 3D woven and braided composite reinforcement materials, from carbon and glass fiber. Detailed technical information on PDF files</i>	14335 North 11550 East Mt. Pleasant, UT 84647 <a href="http://www.3tex.com">http://www.3tex.com</a>
<b>TBC Composite</b> Kent Crookston (801) 392-3400 <i>Provider of vibration resistant and fatigue cracking spinners and bulkheads to general aviation community.</i>	3811 Airport Road Ogden, UT 84405 <a href="http://www.tbccomposite.com/">http://www.tbccomposite.com/</a>
<b>TCR Composites</b> Leo Erickson, Dir. Sales/Mkt. (801) 622-3801 <i>A unique high-performance epoxy prepreg that is environmentally friendly and can be stored at ambient temperatures for up to one year.</i>	219 North 530 West Ogden, UT 84404 <a href="http://www.tcrcomposites.com">www.tcrcomposites.com</a>

<b>Technology Marketing, Inc. (TMI)</b> Ralph Alva, President (801) 265-0111 <i>End item and process materials, process accessories, and equipment for high-performance composites.</i>	6122 Stratler St. Salt Lake City, UT 84107 www.tmi-slc.com
<b>Triumph Gear Systems</b> Roma Smith (435) 649-1900 <i>Marketing, engineering, manufacturing, and support of quality components and systems for aerospace power drive and actuation applications.</i>	6125 Silver Creek Dr. Park City, UT 84060 www.triumphgs.com/CompanyPage.asp
<b>Turner Design, LLC</b> Peter Turner (801) 745-9243 <i>Contract engineering specializing in sporting goods design, associated tooling, and project management with emphasis on bicycle components and snow skis.</i>	828 Radford Lane Eden, UT 84310
<b>Utah Foam Products, Inc.</b> E Lynn Wilson (801) 269-0600 <i>Specializing in two component urethane systems. Equipment provider of RIM and Low-Pressure, spraying or roto molding.</i>	3609 South 700 West Salt Lake City, UT 84119 http://www.utahfoam.com/
<b>Wasatch Advanced Materials Development Corp.</b> Dr. Geoffrey Russell (801) 499-0175 <i>Providing polymer materials expertise to range of companies from established multinational firms to new start-ups.</i>	4305 Harrison Blvd., Ste. 6-511 Ogden, UT 84403
<b>Williams International</b> Dave Holden (801) 395-6500 <i>Develops and manufactures small gas turbine engine technology</i>	3450 Sam Williams Dr. Ogden, UT 84401 www.williams-int.com
<b>Wyoming Text Fixtures, Inc.</b> Donald Adams (801) 484-5055 <i>Experienced research in testing and analysis of composite materials. Dedicated to designing and fabricating mechanical test fixtures.</i>	2960 East Millcreek Canyon Rd. Salt Lake City, UT 84109 http://www.wyomingtestfixtures.com/
<b>YLA Incorporated</b> Lloyd Nelson (801) 372-9722 <i>Leader in the development and manufacture of innovative, high performance composite materials for extreme temperature and environmental exposure.</i>	4474 West Winter Circle Cedar Hills, UT 84062 http://ylainc.com/
<b>Zoltec Prepeg Operations</b> Rolf Johns, Vice President (801) 261-3082 <i>Manufactures carbon fiber and advanced composite prepregs for individual/recreational applications.</i>	3653 South 500 West Salt Lake City, UT 84115 www.zoltek.com

## UT Composites Industry - Working Groups

<b>Aerospace Composite Consultant</b> Carroll Grant (801) 495-1819	11908 Micklaus Rd. Sandy, UT 84092
<b>Brigham City Corporation</b> Paul Larsen (435) 734-6600 <i>Trigger public and private investment in Brigham City, enhance quality of life for residence, increase revenues, increase median income, accomplish goals of Brigham City general plan.</i>	20 North Main St. Brigham City, UT 84302 www.brighamcity.utah.gov

<b>Brigham Young University, College of Engineering and Technology</b> Brent Strong (801) 422-7878 <i>Within the College of Engineering and Technology, composites programs have been actively pursued in Mechanical, Civil, Manufacturing, and Chemical. While these efforts are often complimentary, their unique emphasis gives a wide view of composites from raw material and formulation optimization to design to manufacturing to application implementation.</i>	265 CTB Provo, UT 84602 <a href="http://met.et.byu.edu/mfg/">met.et.byu.edu/mfg/</a>
<b>Davis Applied Technology College</b> Joann Matern (801) 593-2500 <i>(DATC) offers open-entry/open-exit, competency based programs on a year-round schedule. Our programs are broken up into the following schools: Business &amp; Information, Construction &amp; Apprenticeship, Health Professions, Manufacturing, Service Professions, and Transportation. For 30 years the DATC has been offering opportunities to individuals with difficult schedules or tight finances to further their education. Which is why our motto is "we change lives."</i>	550 East 300 South Kaysville, Utah 84037 <a href="http://www.datc.tec.ut.us">www.datc.tec.ut.us</a>
